

Manager's Message

*I am very happy to find that St. Stephen's College, Pathanapuram is publishing a Newsletter **Solstice**, reflecting on the activities during the year 2017-18. I congratulate the Principal and the Editorial Board for undertaking the laborious task. I wish this endeavour all success.*

Rev. Younan Samuel Remban

Editorial

"A Newsletter is not a lifeless account. It is an enlivening musing on a year gone by."

We are most happy to bring forth **Solstice**, the very first newsletter of our college. Solstice suggests the extreme points to which the sun moves over the earth in the span of a year. It earmarks a change in seasons. As the sun moves to his extreme and traces back his journey to the other extreme, we stephanians look back at the course we took over the past one year. The letter highlights the activities and achievements of students and faculty for the year. We dearly hope that the endeavour will be taken up more ambitiously by those yet to come. We dedicate this debut to our family.

From Principal's Desk

*It makes me really proud and privileged to become part of the publication of the newsletter **Solstice**. I use this opportunity to congratulate the Editorial Board for completing this onerous task on time. I also wish this attempt all success.*

Dr. Achamma George

Our Vision and Mission

Vision

To equip the youngsters to face the challenges of life, by creatively responding to changing environments; to become useful and responsible members of society, by becoming adequately proficient in different branches of learning; to imbibe a spirit of cooperation, uprightness and empathy and readiness to respect others; and to become aware of their social and moral responsibilities.

Mission

- o To provide quality education in the concerned areas of learning, by arranging suitable educational environment, where learning becomes a joyful experience.
- o To encourage creative thinking in students, which would inspire experimentation, research and discovery leading to excellence in learning.
- o To provide for growth of students as mature personalities, by developing academic, social and physical skills, through playing leadership roles; and participation in campus activities and community building programmes.

**ABOUT OUR COLLEGE**

Our college, christened after the very first martyr of Christianity, St. Stephen boasts of a heritage of more than fifty years. Ours is an educational agency managed by the Society of the Order of Sacred Transfiguration, Mount Tabor Diara, under Malankara Orthodox Syrian Church. The College is the fulfilment of the great vision and sacrifice of our beloved founding father, late lamented H.G. Mar Thoma Dionysius. We are affiliated to the University of Kerala and offer eight U.G. and four P.G courses. In addition to the same, the Department of Zoology has a Research Centre.
